2018 - - 022

LETTER OF RETIREMENT FROM RICHARD VENDOLA

Supervisor Belmont thanked Mr. Vendola for his years of service. Mr. Vendola started as a volunteer in the recreation department well before he was 16 years old. He received his degree in Recreation from Westchester University in Pennsylvania. He served in the Recreation Department and then transferred to the Parks Department. Mr. Vendola will be sorely missed. He has been a great asset to the Town of Harrison. His wife is a school teacher in Harrison and they raised their children here. His son was an intern in the Supervisor's office this past summer and worked on the purple heart designation. He wished Rich good luck on his retirement.

On motion of Councilman Sciliano, seconded by Councilman Malfitano,

it was

RESOLVED to accept with regret, the letter of retirement from Richard Vendola from his position as a Parks and Playground employee in the Department of Public Works, effective January 27, 2018.

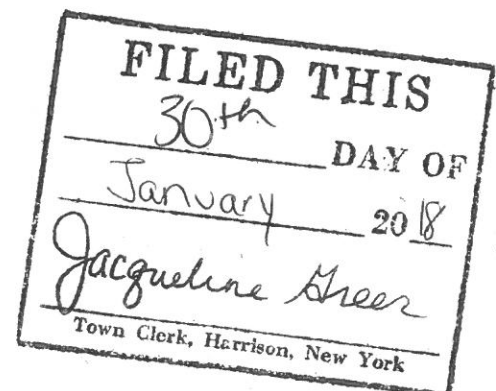

FURTHER RESOLVED to forward a copy of this Resolution to the Comptroller, Personnel Manager and Commissioner of Public Works.

Adopted by the following vote:

AYES: Councilpersons Dionisio, Gordon, Malfitano and Sciliano
Supervisor Belmont

January 25, 2018

2018 - - 032
APPROVAL FOR A BUILDING PERMIT APPLICATION FOR
44-46 ELLSWORTH AVENUE

On motion of Councilman Malfitano, seconded by Councilman Dionisio,

it was

RESOLVED to approve a building permit application for 44-46 Ellsworth Avenue, Block 264, Lot 9 located within FEMA designated flood plains as follows:

The above referenced sites are located within FEMA designated Flood Plains. Harrison Town Code Section 235-32-B states:

"All plans for buildings built in flood areas as defined above shall be transmitted to the Town Engineer for a recommendation as to the minimum floor level of the building and the final grading of the property. Such recommendation must be confirmed by a resolution of the Town Board prior to the issuance of a building permit conforming to the recommendations".

Pursuant to Town Code, our recommendations for the development of this property are as follows:

The existing FEMA Flood Plain Elevation at this property is 63.8 feet (NGVD 1988), as shown on the FEMA Flood Insurance Study dated September 28, 2007

The proposed First Floor Elevation shall be 72.1 feet as shown on site plans revised November 4, 2017, prepared by Stephen Marchesani, Architect

The proposed Garage Floor Elevation shall be 63.1 feet as shown on site plans revised November 4, 2017, prepared by Stephen Marchesani, Architect.

As reflected in the above mentioned plan, there shall be no grade change permitted on this property.

An as-built survey from a New York State Licensed Surveyor will be required. The as-built shall include the flood plain elevation, and all floor elevations. As-built must also show compliance with Town building height regulations, as well as surface information verifying no grade change. This survey must be submitted to and approved by this department prior to issuance of a Certificate of Occupancy.

In order to verify the structure and all utilities have been built safely above the Base Flood Elevation, an Elevation Certificate must be submitted and approved by the Engineering Department prior to issuance of a Certificate of Occupancy.

January 25, 2018

2018 - - 032 (continued)

Flood resistant materials must be used within all areas permitted below the Base Flood Elevation. All building materials and utilities below this level must be certified by the design professional upon completion of construction.

Enclosed areas within a Floodplain are designed to be flooded, and can be used only for parking vehicles, storage, or access to the elevated living area. A Non Conversion agreement must be submitted and signed by the property owner prior to issuance of a Certificate of Occupancy.

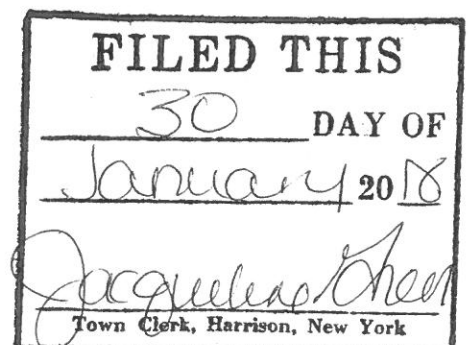

FURTHER RESOLVED to forward a copy of this Resolution to the Law Department, Building Inspector and the Town Engineer.

Adopted by the following vote:

AYES: Councilpersons Dionisio, Gordon, Malfitano and Sciliano
Supervisor Belmont

2018 - - 034

APPROVAL OF A REFERRAL TO THE PLANNING BOARD TO DESIGNATE
AN OPEN DEVELOPMENT AREA

Village Attorney Kraut provided the Board a brief explanation. This is for the Transit Oriented Development to which the Board granted the zoning change which is before the Planning Board. New York State Law requires that there is actual road frontage for a developable lot. New York State Law also recognizes that doesn't fit all circumstances. The way this layout is going to end up on the site plan; the building would cut off what would be considered access. Section 280a of the Zoning Ordinance provides that where the Town Board finds that type of true frontage access is difficult or impractical they could consider granting special relief for it. The first step to even consider whether the Board wants to take into account that impracticability, the Zoning Ordinance under section 280a requires that this Board refer it to the Planning Board for an opinion. What they have asked is that you refer to the Planning Board to look at it and it will then come back to you with the Planning Board's view and at that point you can consider it.

Supervisor Belmont explained that the parking structure is going is landlocked. The parking structure is going to be owned by the MTA and AvalonBay's property is going to be in front of that. In order to get to MTA property, we have to do this protocol.

On motion of Councilman Dionisio, seconded by Councilman Malfitano,

it was

RESOLVED to accept the request by Peter Wise of DelBello Donnellan Weingarten Wise & Wiederkehr, LLP, for a referral to the Planning Board to designate Harrison Station Transit Oriented Development, Section 18, Block 183, lots 12 and 15 (AvalonBay Communities, Inc.) as an open development area. Under Town Law Section 280-a, a proposed open development area must be referred to the Planning Board for an Advisory Report.

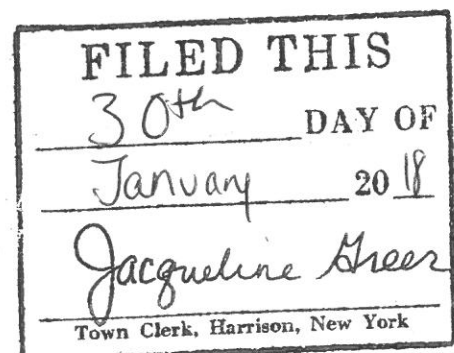

FURTHER RESOLVED to forward a copy of this Resolution to the Law Department, Planning Board and Peter Wise.

Adopted by the following vote:

OLD BUSINESS

Harrison resident Emil Toso said he was concerned that a parking lot on the side of his house on Fremont Street was illegal. Mr. Toso explained he wants the parking lot to be brought to Code. He claimed the parking lot never received a Certificate of Occupancy (CO). Mr. Toso asked to see the document making the parking lot legal.

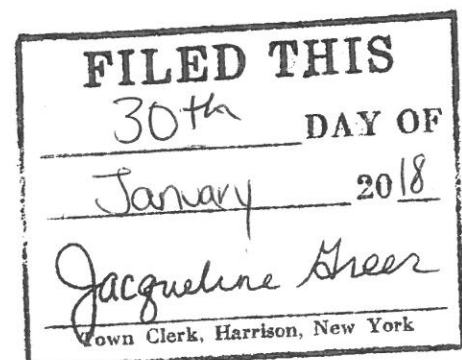

Councilman Sciliano replied that he had been told by the Building Inspector that he spoke to Mr. Toso in regards to the CO on this property.

Harrison resident Emil Toso replied that he was asking the Board to show him where the parking lot is legitimate the way it sits.

Town Attorney Allegretti explained that this issue goes back many, many, years and has been examined by the last four Building Inspectors who have all come to the same conclusions with respect to legality of this lot. Mr. Toso doesn't like that determination and there is not much we can do about that. He has standing to challenge whatever determination has been made over the years and he chooses not to pursue his remedies.

Harrison resident Emil Toso asked the Board how are we going to resolve this?

Supervisor Belmont said he believes the Attorney addressed the situation. It is a legal lot and Mr. Germani (The Harrison Building Inspector.) presented you with the documents that showed it was a legal lot. He went on to say that Mr. Toso is not getting the answer he wants so he keeps on asking the same questions over and over through the years hoping for a different response. The Supervisor expounded upon his response and explained once again that the lot, as it exists, is a legal lot. Mr. Toso's challenge to the legality of the lot has been through four Building Inspectors and a court's decision and he doesn't want to accept the answers.
